Date: August 17, 2011

Dear parents of 6<sup>th</sup> and 1<sup>st</sup> form:

It is that time of the year where we get to open the doors of creativity, knowledge, and wisdom. It is time to bring your backpack full of hope and dreams, and get excited on the new adventures we get to live.

Welcome Back to School!

Math time is going to be enriching and joyful, we are going to work together to make learning a fun experience.

My name is Mrs. Diana Gomez and I will be your child's Math teacher this year. This will be my fourth year working at St. George School, but I have almost nine years of experience as a middle school teacher. I graduated with a degree in Advertising; I have a Teaching certification; I'm an IB graduate and currently I am working on my Master's in Teaching Mathematics.

I am the homeroom teacher of 6<sup>th</sup> Emily Bronte and the Math teacher for 6<sup>th</sup> Prep and 1<sup>st</sup> form. My philosophy for learning is that each child is unique, and each child learns in a different way. One of my jobs as a teacher is to help your child discover his or her individuality and work alongside with them to maximize it. I believe in hands-on experiences, and learning creatively.

Let's open the doors of learning and allow new experiences to make memorable moments.

Let's enjoy our travel and work together to make this school year an extraordinary journey.

Mrs. Diana Gómez
