I am delighted to welcome your child to 6th grade. I hope you have shared an enjoyable summer together!

It is my goal that your child's 6th grade experience is filled with personal growth as a thinker and learner. I am looking forward to starting this adventure!

My name is Yamell Garcia and I am the Language Arts. This is my third year at Saint George School.

I know that teaching your child is a privilege, as well as a tremendous responsibility. I will make sure that each student has a motivating and safe learning experience in the classroom. I am certain that as a parent you will take part in this journey we begin this school year.

Encourage your child at home by being interested and informed of assignments, and help them study for quizzes, if necessary. Take part in their reading to make this an enriching experience for both, you and your child.

I know with your collaboration this will be a great year!
