SGS Infant School

Thank you in advance for all your trust and support.

Please remember that our doors are always open for any questions, comments, or suggestions you may have.

Welcome back to school! My name is Karina Castillo and I will be your child's teacher this year. I have a degree in Early Childhood Education. I have been teaching preschoolers for 9 years, 5 of them at St. George School.

Gissett Polanco will also be working with us. She is studying Early Childhood Education.

Once again, I would like to give you the warmest welcome, and encourage you to become an active member of our class.

We look forward to an amazing year!

Pre – Prep
Peter Pan

IMPORTANT

Please bring an extra *St. George blank paper notebook*. We will use it as our Journal. It can be purchased at our UStore. It does not matter if the cover is red or blue.

Themes for September

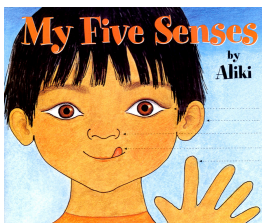

We will be exploring the themes:
“Back to School”
“Health and Safety”.

Getting to know our new school environment, establishing our class rules, and discussing the proper ways to treat our materials and friends will be some of our main targets.

We will also be exploring ourselves, our body and our senses and how they work, talking about the importance of some health habits as well as eating healthy. We will be reviewing as well, safety measures and their importance.

In Math we will be working with the concepts of sorting and classifying. Also, we will have lots of fun finding patterns around us, reproducing and creating them.

Focus Book of The Month

Constant Concepts

- Shapes
- Letters
- Numbers
