SGS Infant School

Thank you in advance for all your trust and support.

Please remember that our doors are always open for any questions, comments or suggestions you may have.

I would like to welcome you to a new and wonderful learning experience. My name is Amanda Veloz and I will be your child's teacher for this year. I am currently finishing my career in Psychology and I have a Degree in Early Childhood Education. This will be my first year teaching Infant II; however, I've worked for 5 years in other levels here at St. George.

We will be sharing our class with Teacher Alba Adames, who is also a Psychology student. She has been a preschool teacher for the past three years.

We are both very excited to begin this new adventure. This will be an unforgettable year for all of us.

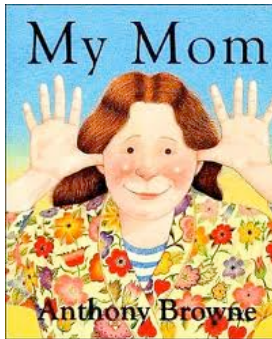

Infant II
Tinker Bell

IMPORTANT

Please bring an extra *St. George blank paper notebook*. We will use it as our Journal. It can be purchased at our UStore. It does not matter if the cover is red or blue

Themes for September

Focus Book of The Month

Throughout the month of September we will be exploring the themes

“Back to School” and “All About me”.

Getting acquainted with our new school environment will be one of our main targets; classmates, routines, school materials, rules, etc.

We will also be exploring ourselves as unique and special individuals. Learn how to accept differences among us and learn to love and care for each other.

Constant Concepts

- Shapes
- Letters
- Numbers
